Board of Commissioners

Robert Vick, President

Steven McCarter, Vice President

Bill Larkin, Secretary

Board of Commissioner Meetings

The Board of Commissioners meet the 1st Friday of each month at the District Office. The public is encouraged to attend. If anyone needs special assistance to attend a meeting, you may contact the office so we may make reasonable accommodations to assist you.

District News

After 30 years of service to the Utility, Delmer Ball, who has been a Commissioner with the District since 19, retired at the end of 2014. Although he will be missed, we are happy to welcome our new Commissioner, Bill Larkin.

As mentioned in our November Newsletter, the District has been in the process of installing new water meters to all customers. This process is now complete. Not only will these new meters be more accurate but we are already finding them to be a great tool in detecting leaks. Many of you have received a call from someone at the office to inform you of a potential problem. (Remember, something as simple as a commode leaking can really add up to a lot of water usage in a month's time). Anytime we detect a problem we will gladly let you know.
